Non-accredited recordings remain available for 30 days following the end of the course. Recordings can be accessed directly through Oversea's KATTEDRA platform using your personal login credentials.

PRESENTAZIONE

M&A work in English is not just about knowing the right words - it is about understanding how deal teams communicate, how documents are structured, and how negotiations unfold in an Anglo-American context. This module gives lawyers all three.

FRUIZIONE

The course will be delivered entirely through Oversea's KATTEDRA platform and can be accessed using your personal login credentials.

PROGRAMMA

- The M&A deal timeline in English: LOIs, NDAs, term sheets, SPAs - what each document does
- Due diligence legal language: how to ask the right questions, flag issues, and write clear findings
- Board resolutions, shareholder agreements, and corporate governance documents - vocabulary in context
- Deal negotiation dynamics: how English-speaking counterparties frame positions and reach agreement
- Live exercise: reviewing and redlining a sample transaction document in English
